be such officer before the delivery of such Bonds, such signature shall nevertheless be valid and sufficient for all purposes, as if such person had remained in office until delivery. Any Bond may be signed by such persons who at the actual time of the execution of such Bond are the proper officers to sign such Bond although at the date of such Bond such persons may not have been such officers.

The Mayor and Clerk are hereby authorized and directed to prepare and execute the Bonds as herein specified, and when duly executed, to deliver the Bonds to the Bond Registrar for authentication.

The Bonds shall have endorsed thereon a certificate of authentication substantially in the form attached hereto as **EXHIBIT A** hereof, which shall be manually executed by an authorized officer or employee of the Bond Registrar, but it shall not be necessary that the same officer or employee sign the certificate of authentication on all of the Bonds that may be issued hereunder at any one time. No Bond shall be entitled to any security or benefit under this Bond Resolution or be valid or obligatory for any purpose unless and until such certificate of authentication has been duly executed by the Bond Registrar. Such executed certificate of authentication upon any Bond shall be conclusive evidence that such Bond has been duly authenticated and delivered under this Bond Resolution. Upon authentication, the Bond Registrar shall deliver the Bonds to the Purchaser upon instructions of the Issuer or its representative.

Section 208. Mutilated, Lost, Stolen or Destroyed Bonds. If (a) any mutilated Bond is surrendered to the Bond Registrar or the Bond Registrar receives evidence to its satisfaction of the destruction, loss or theft of any Bond, and (b) there is delivered to the Issuer and the Bond Registrar such security or indemnity as may be required by each of them, then, in the absence of notice to the Issuer or the Bond Registrar that such Bond has been acquired by a bona fide purchaser, the Issuer shall execute and, upon the Issuer's request, the Bond Registrar shall authenticate and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Bond, a new Bond of the same Stated Maturity and of like tenor and principal amount.

If any such mutilated, destroyed, lost or stolen Bond has become or is about to become due and payable, the Issuer, in its discretion, may pay such Bond instead of issuing a new Bond.

Upon the issuance of any new Bond under this Section, the Issuer and the Paying Agent may require the payment by the Owner of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Paying Agent) connected therewith.

Every new Bond issued pursuant to this Section shall constitute a replacement of the prior obligation of the Issuer, and shall be entitled to all the benefits of this Bond Resolution equally and ratably with all other Outstanding Bonds.

Section 209. Cancellation and Destruction of Bonds Upon Payment. All Bonds that have been paid or redeemed or that otherwise have been surrendered to the Paying Agent, either at or before Maturity, shall be cancelled by the Paying Agent immediately upon the payment, redemption and surrender thereof to the Paying Agent and subsequently destroyed in accordance with the customary practices of the Paying Agent. The Paying Agent shall execute a certificate in duplicate describing the Bonds so cancelled and destroyed and shall file an executed counterpart of such certificate with the Issuer.

Section 210. Book-Entry Bonds; Securities Depository. The Issuer and Paying Agent have entered into a DTC Representation Letter with DTC. The Bonds shall initially be registered to Cede & Co., the nominee for the Securities Depository, and no Beneficial Owner will receive

certificates representing their respective interests in the Bonds, except in the event the Bond Registrar issues Replacement Bonds as provided in this Section. It is anticipated that during the term of the Bonds, the Securities Depository will make book-entry transfers among its Participants and receive and transmit payment of principal of, premium, if any, and interest on, the Bonds to the Participants until and unless the Bond Registrar authenticates and delivers Replacement Bonds to the Beneficial Owners as described in the following paragraph.

The Issuer may decide, subject to the requirements of the Operational Arrangements of DTC (or a successor Securities Depository), and the following provisions of this section to discontinue use of the system of book-entry transfers through DTC (or a successor Securities Depository):

(a) If the Issuer determines (1) that the Securities Depository is unable to properly discharge its responsibilities, or (2) that the Securities Depository is no longer qualified to act as a securities depository and registered clearing agency under the Securities and Exchange Act of 1934, as amended, or (3) that the continuation of a book-entry system to the exclusion of any Bonds being issued to any Owner other than Cede & Co. is no longer in the best interests of the Beneficial Owners of the Bonds; or

(b) if the Bond Registrar receives written notice from Participants having interests in not less than 50% of the Bonds Outstanding, as shown on the records of the Securities Depository (and certified to such effect by the Securities Depository), that the continuation of a book-entry system to the exclusion of any Bonds being issued to any Owner other than Cede & Co. is no longer in the best interests of the Beneficial Owners of the Bonds, then the Bond Registrar shall notify the Owners of such determination or such notice and of the availability of certificates to Owners requesting the same, and the Bond Registrar shall register in the name of and authenticate and deliver Replacement Bonds to the Beneficial Owners or their nominees in principal amounts representing the interest of each, making such adjustments as it may find necessary or appropriate as to accrued interest and previous calls for redemption; provided, that in the case of a determination under (a)(1) or (a)(2) of this paragraph, the Issuer, with the consent of the Bond Registrar, may select a successor securities depository in accordance with the following paragraph to effect book-entry transfers.

In such event, all references to the Securities Depository herein shall relate to the period of time when the Securities Depository has possession of at least one Bond. Upon the issuance of Replacement Bonds, all references herein to obligations imposed upon or to be performed by the Securities Depository shall be deemed to be imposed upon and performed by the Bond Registrar, to the extent applicable with respect to such Replacement Bonds. If the Securities Depository resigns and the Issuer, the Bond Registrar or Owners are unable to locate a qualified successor of the Securities Depository in accordance with the following paragraph, then the Bond Registrar shall authenticate and cause delivery of Replacement Bonds to Owners, as provided herein. The Bond Registrar may rely on information from the Securities Depository and its Participants as to the names of the Beneficial Owners of the Bonds. The cost of printing, registration, authentication, and delivery of Replacement Bonds shall be paid for by the Issuer.

In the event the Securities Depository resigns, is unable to properly discharge its responsibilities, or is no longer qualified to act as a securities depository and registered clearing agency under the Securities and Exchange Act of 1934, as amended, the Issuer may appoint a successor Securities Depository provided the Bond Registrar receives written evidence satisfactory to the Bond Registrar with respect to the ability of the successor Securities Depository to discharge its responsibilities. Any such successor Securities Depository shall be a securities depository which is a registered clearing agency under the Securities and Exchange Act of 1934, as amended, or other applicable statute or regulation that operates a securities depository upon reasonable and customary terms. The Bond Registrar upon its receipt of a Bond or Bonds for cancellation shall cause the delivery of Bonds to the successor Securities Depository in an Authorized Denominations and form as provided herein.

Section 211. Nonpresentment of Bonds. If any Bond is not presented for payment when the principal thereof becomes due at Maturity, if funds sufficient to pay such Bond have been made available to the Paying Agent all liability of the Issuer to the Owner thereof for the payment of such Bond shall forthwith cease, determine and be completely discharged, and thereupon it shall be the duty of the Paying Agent to hold such funds, without liability for interest thereon, for the benefit of the Owner of such Bond, who shall thereafter be restricted exclusively to such funds for any claim of whatever nature on his part under this Bond Resolution or on, or with respect to, said Bond. If any Bond is not presented for payment within four (4) years following the date when such Bond becomes due at Maturity, the Paying Agent shall repay, without liability for interest thereon, to the Issuer the funds theretofore held by it for payment of such Bond, and such Bond shall, subject to the defense of any applicable statute of limitation, thereafter be an unsecured obligation of the Issuer, and the Owner thereof shall be entitled to look only to the Issuer for payment, and then only to the extent of the amount so repaid to it by the Paying Agent, and the Issuer shall not be liable for any interest thereon and shall not be regarded as a trustee of such money.

Section 212. Preliminary and Final Official Statement. The Preliminary Official Statement dated July 11, 2016, is hereby ratified and approved.

The Official Statement is hereby authorized to be prepared by supplementing, amending and completing the Preliminary Official Statement, with such changes and additions thereto as are necessary to conform to and describe the transaction. The Mayor and chief financial officer of the Issuer are hereby authorized to execute the Official Statement as so supplemented, amended and completed, and the use and public distribution of the Official Statement by the Purchaser in connection with the reoffering of the Bonds is hereby authorized. The proper officials of the Issuer are hereby authorized to execute and deliver a certificate pertaining to such Official Statement as prescribed therein, dated as of the Issue Date.

The Issuer agrees to provide to the Purchaser within seven business days of the date of the sale of Bonds sufficient copies of the Official Statement to enable the Purchaser to comply with the requirements of the SEC Rule and Rule G-32 of the Municipal Securities Rulemaking Board.

Section 213. Sale of the Bonds. The sale of the Bonds to the Purchaser is hereby ratified and confirmed. The Mayor and Clerk are hereby authorized to execute the official bid form submitted by the Purchaser. Delivery of the Bonds shall be made to the Purchaser on the Issue Date (which shall be as soon as practicable after the adoption of this Bond Resolution), upon payment of the Purchase Price.

ARTICLE III

REDEMPTION OF BONDS

Section 301. Redemption by Issuer.

Optional Redemption. At the option of the Issuer, Bonds maturing on September 1 in the years 2025, and thereafter, will be subject to redemption and payment prior to their Stated Maturity on September 1, 2024, and thereafter, as a whole or in part (selection of maturities and the amount of Bonds of each maturity to be redeemed to be determined by the Issuer in such equitable manner as it may determine) at any time, at the Redemption Price of 100% (expressed as a percentage of the principal amount), plus accrued interest to the Redemption Date.

Mandatory Redemption. *2036 Term Bonds.* The 2036 Term Bonds shall be subject to mandatory redemption and payment prior to Stated Maturity pursuant to the mandatory redemption requirements of this Section at a Redemption Price equal to 100% of the principal amount thereof plus accrued interest to the Redemption Date. The taxes levied in **Article IV** hereof which are to be deposited into the Debt Service Account shall be sufficient to redeem, and the Issuer shall redeem on September 1 in each year, the following principal amounts of such 2036 Term Bonds:

<u>Principal Amount</u>	<u>Year</u>
\$415,000	2035
425,000	2036*

*Final Maturity

At its option, to be exercised on or before the 45th day next preceding any mandatory Redemption Date, the Issuer may: (1) deliver to the Paying Agent for cancellation Term Bonds subject to mandatory redemption on said mandatory Redemption Date, in any aggregate principal amount desired; or (2) furnish the Paying Agent funds, together with appropriate instructions, for the purpose of purchasing any Term Bonds subject to mandatory redemption on said mandatory Redemption Date from any Owner thereof whereupon the Paying Agent shall expend such funds for such purpose to such extent as may be practical; or (3) receive a credit with respect to the mandatory redemption obligation of the Issuer under this Section for any Term Bonds subject to mandatory redemption on said mandatory Redemption Date which, prior to such date, have been redeemed (other than through the operation of the mandatory redemption requirements of this subsection) and cancelled by the Paying Agent and not theretofore applied as a credit against any redemption obligation under this subsection. Each Term Bond so delivered or previously purchased or redeemed shall be credited at 100% of the principal amount thereof on the obligation of the Issuer to redeem Term Bonds of the same Stated Maturity on such mandatory Redemption Date, and any excess of such amount shall be credited on future mandatory redemption obligations for Term Bonds of the same Stated Maturity as designated by the Issuer, and the principal amount of Term Bonds to be redeemed by operation of the requirements of this Section shall be accordingly reduced. If the Issuer intends to exercise any option granted by the provisions of clauses (1), (2) or (3) above, the Issuer will, on or before the 45th day next preceding each mandatory Redemption Date, furnish the Paying Agent a written certificate indicating to what extent the provisions of said clauses (1), (2) and (3) are to be complied with, with respect to such mandatory redemption payment.

Section 302. Selection of Bonds to be Redeemed. Bonds shall be redeemed only in an Authorized Denomination. When less than all of the Bonds are to be redeemed and paid prior to their Stated Maturity, such Bonds shall be redeemed in such manner as the Issuer shall determine. Bonds of less than a full Stated Maturity shall be selected by the Bond Registrar in a minimum Authorized Denomination of principal amount in such equitable manner as the Bond Registrar may determine.

In the case of a partial redemption of Bonds by lot when Bonds of denominations greater than a minimum Authorized Denomination are then Outstanding, then for all purposes in connection with such redemption a minimum Authorized Denomination of face value shall be treated as though it were a separate Bond of the denomination of a minimum Authorized Denomination. If it is determined that one or more, but not all, of a minimum Authorized Denomination of face value represented by any Bond is selected for redemption, then upon notice of intention to redeem a minimum Authorized Denomination, the Owner or the Owner's duly authorized agent shall forthwith present and surrender such Bond to the Bond Registrar: (1) for payment of the Redemption Price and interest to the Redemption Date of a minimum Authorized Denomination of face value called for redemption, and (2) for exchange, without charge to the Owner

thereof, for a new Bond or Bonds of the aggregate principal amount of the unredeemed portion of the principal amount of such Bond. If the Owner of any such Bond fails to present such Bond to the Paying Agent for payment and exchange as aforesaid, such Bond shall, nevertheless, become due and payable on the redemption date to the extent of a minimum Authorized Denomination of face value called for redemption (and to that extent only).

Section 303. Notice and Effect of Call for Redemption. In the event the Issuer desires to call the Bonds for redemption prior to maturity, written notice of such intent shall be provided to the Bond Registrar in accordance with K.S.A. 10-129, as amended, not less than 45 days prior to the Redemption Date. The Bond Registrar shall call Bonds for redemption and payment and shall give notice of such redemption as herein provided upon receipt by the Bond Registrar at least 45 days prior to the Redemption Date of written instructions of the Issuer specifying the principal amount, Stated Maturities, Redemption Date and Redemption Prices of the Bonds to be called for redemption. The foregoing provisions of this paragraph shall not apply in the case of any mandatory redemption of Term Bonds hereunder, and Term Bonds shall be called by the Paying Agent for redemption pursuant to such mandatory redemption requirements without the necessity of any action by the Issuer and whether or not the Paying Agent holds moneys available and sufficient to effect the required redemption.

Unless waived by any Owner of Bonds to be redeemed, if the Issuer shall call any Bonds for redemption and payment prior to the Stated Maturity thereof, the Issuer shall give written notice of its intention to call and pay said Bonds to the Bond Registrar, the Bond Insurer and the State Treasurer. In addition, the Issuer shall cause the Bond Registrar to give written notice of redemption to the Owners of said Bonds. Each of said written notices shall be deposited in the United States first class mail not less than 30 days prior to the Redemption Date.

All official notices of redemption shall be dated and shall contain the following information:

- (a) the Redemption Date;
- (b) the Redemption Price;
- (c) if less than all Outstanding Bonds are to be redeemed, the identification (and, in the case of partial redemption of any Bonds, the respective principal amounts) of the Bonds to be redeemed;
- (d) a statement that on the Redemption Date the Redemption Price will become due and payable upon each such Bond or portion thereof called for redemption and that interest thereon shall cease to accrue from and after the Redemption Date; and
- (e) the place where such Bonds are to be surrendered for payment of the Redemption Price, which shall be the principal office of the Paying Agent.

The failure of any Owner to receive notice given as heretofore provided or an immaterial defect therein shall not invalidate any redemption.

Prior to any Redemption Date, the Issuer shall deposit with the Paying Agent an amount of money sufficient to pay the Redemption Price of all the Bonds or portions of Bonds that are to be redeemed on such Redemption Date.

For so long as the Securities Depository is effecting book-entry transfers of the Bonds, the Bond Registrar shall provide the notices specified in this Section to the Securities Depository. It is expected that

the Securities Depository shall, in turn, notify its Participants and that the Participants, in turn, will notify or cause to be notified the Beneficial Owners. Any failure on the part of the Securities Depository or a Participant, or failure on the part of a nominee of a Beneficial Owner of a Bond (having been mailed notice from the Bond Registrar, the Securities Depository, a Participant or otherwise) to notify the Beneficial Owner of the Bond so affected, shall not affect the validity of the redemption of such Bond.

Official notice of redemption having been given as aforesaid, the Bonds or portions of Bonds to be redeemed shall become due and payable on the Redemption Date, at the Redemption Price therein specified, and from and after the Redemption Date (unless the Issuer defaults in the payment of the Redemption Price) such Bonds or portion of Bonds shall cease to bear interest. Upon surrender of such Bonds for redemption in accordance with such notice, the Redemption Price of such Bonds shall be paid by the Paying Agent. Installments of interest due on or prior to the Redemption Date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Bond, there shall be prepared for the Owner a new Bond or Bonds of the same Stated Maturity in the amount of the unpaid principal as provided herein. All Bonds that have been surrendered for redemption shall be cancelled and destroyed by the Paying Agent as provided herein and shall not be reissued.

In addition to the foregoing notice, the Issuer shall provide such notices of redemption as are required by the Disclosure Undertaking. Further notice may be given by the Issuer or the Bond Registrar on behalf of the Issuer as set out below, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if official notice thereof is given as above prescribed:

(a) Each further notice of redemption given hereunder shall contain the information required above for an official notice of redemption plus (1) the CUSIP numbers of all Bonds being redeemed; (2) the date of issue of the Bonds as originally issued; (3) the rate of interest borne by each Bond being redeemed; (4) the maturity date of each Bond being redeemed; and (5) any other descriptive information needed to identify accurately the Bonds being redeemed.

(b) Each further notice of redemption shall be sent at least one day before the mailing of notice to Owners by first class, registered or certified mail or overnight delivery, as determined by the Bond Registrar, to all registered securities depositories then in the business of holding substantial amounts of obligations of types comprising the Bonds and to one or more national information services that disseminate notices of redemption of obligations such as the Bonds.

(c) Each check or other transfer of funds issued for the payment of the Redemption Price of Bonds being redeemed shall bear or have enclosed the CUSIP number of the Bonds being redeemed with the proceeds of such check or other transfer.

The Paying Agent is also directed to comply with any mandatory standards then in effect for processing redemptions of municipal securities established by the State or the Securities and Exchange Commission. Failure to comply with such standards shall not affect or invalidate the redemption of any Bond.

ARTICLE IV

SECURITY FOR BONDS

Section 401. Security for the Bonds. The Bonds shall be general obligations of the Issuer payable as to both principal and interest from ad valorem taxes which may be levied without limitation as to rate or amount upon all the taxable tangible property, real and personal, within the territorial limits of the Issuer. The full faith, credit and resources of the Issuer are hereby irrevocably pledged for the prompt payment of the principal of and interest on the Bonds as the same become due.

Section 402. Levy and Collection of Annual Tax; Transfer to Debt Service Account. The Governing Body shall annually make provision for the payment of principal of, premium, if any, and interest on the Bonds as the same become due by, to the extent necessary, levying and collecting the necessary taxes upon all of the taxable tangible property within the Issuer in the manner provided by law.

The taxes referred to above shall be extended upon the tax rolls in each of the several years, respectively, and shall be levied and collected at the same time and in the same manner as the other ad valorem taxes of the Issuer are levied and collected. The proceeds derived from said taxes shall be deposited in the Bond and Interest Fund, shall be kept separate and apart from all other funds of the Issuer shall thereafter be transferred to the Debt Service Account and shall be used solely for the payment of the principal of and interest on the Bonds as and when the same become due, taking into account any scheduled mandatory redemptions, and the fees and expenses of the Paying Agent.

If at any time said taxes are not collected in time to pay the principal of or interest on the Bonds when due, the Treasurer is hereby authorized and directed to pay said principal or interest out of the general funds of the Issuer and to reimburse said general funds for money so expended when said taxes are collected.

ARTICLE V

ESTABLISHMENT OF FUNDS AND ACCOUNTS DEPOSIT AND APPLICATION OF BOND PROCEEDS

Section 501. Creation of Funds and Accounts. Simultaneously with the issuance of the Bonds, there shall be created within the Treasury of the Issuer the following Funds and Accounts:

- (a) Improvement Fund for General Obligation Refunding and Improvement Bonds, Series 2016-A.
- (b) Redemption Fund.
- (c) Debt Service Account for General Obligation Refunding and Improvement Bonds, Series 2016-A (within the Bond and Interest Fund).
- (d) Rebate Fund for General Obligation Refunding and Improvement Bonds, Series 2016-A.

The Funds and Accounts established herein shall be administered in accordance with the provisions of this Bond Resolution so long as the Bonds are Outstanding.

Section 502. Deposit of Bond Proceeds. The net proceeds received from the sale of the Bonds shall be deposited simultaneously with the delivery of the Bonds as follows:

(a) All accrued interest received from the sale of the Bonds, if any, shall be deposited in the Debt Service Account.

(b) The sum of \$1,688,242.50 shall be deposited into the Redemption Fund.

(c) The remaining balance of the proceeds derived from the sale of the Bonds shall be deposited in the Improvement Fund.

Section 503. Application of Moneys in the Improvement Fund. Moneys in the Improvement Fund shall be used for the sole purpose of: (a) paying the costs of the Improvements, in accordance with the plans and specifications therefor approved by the Governing Body and on file in the office of the Clerk, including any alterations in or amendments to said plans and specifications deemed advisable and approved by the Governing Body; (b) paying interest on the Bonds during construction of the Improvements; (c) paying Costs of Issuance; (d) retiring the Refunded Notes; and (e) transferring any amounts to the Rebate Fund required by this *Article V*. Upon completion of the Improvements, any surplus in the Improvement Fund shall be deposited in the Debt Service Account.

Section 504. Substitution of Improvements; Reallocation of Proceeds.

(a) The Issuer may elect for any reason to substitute or add other public improvements to be financed with proceeds of the Bonds provided the following conditions are met: (1) the Substitute Improvement and the issuance of general obligation bonds to pay the cost of the Substitute Improvement has been duly authorized by the Governing Body in accordance with the laws of the State; (2) a resolution authorizing the use of the proceeds of the Bonds to pay the Financeable Costs of the Substitute Improvement has been duly adopted by the Governing Body pursuant to this Section, (3) the Attorney General of the State has approved the amendment made by such resolution to the transcript of proceedings for the Bonds to include the Substitute Improvements; and (4) the use of the proceeds of the Bonds to pay the Financeable Cost of the Substitute Improvement will not adversely affect the tax-exempt status of the Bonds under State or federal law.

(b) The Issuer may reallocate expenditure of Bond proceeds among all Improvements financed by the Bonds; provided the following conditions are met: (1) the reallocation is approved by the Governing Body; (2) the reallocation shall not cause the proceeds of the Bonds allocated to any Improvement to exceed the Financeable Costs of the Improvement; and (3) the reallocation will not adversely affect the tax-exempt status of the Bonds under State or federal law.

Section 505. Application of Moneys in the Redemption Fund. Moneys in the Redemption Fund shall be paid and transferred to the Refunded Bonds Paying Agent, with irrevocable instructions to apply such amount to the payment of the Refunded Bonds on the Refunded Bonds Redemption Date. The Clerk is authorized and instructed to provide appropriate notice of redemption in accordance with the Refunded Bonds Resolution authorizing the issuance of such Refunded Bonds. Any moneys remaining in the Redemption Fund not needed to retire the Refunded Bonds shall be transferred to the Debt Service Account.

Section 506. Application of Moneys in Debt Service Account. All amounts paid and credited to the Debt Service Account shall be expended and used by the Issuer for the sole purpose of paying the principal or Redemption Price of and interest on the Bonds as and when the same become due and the usual and customary fees and expenses of the Bond Registrar and Paying Agent. The Treasurer is authorized and directed to withdraw from the Debt Service Account sums sufficient to pay both principal or Redemption Price of and interest on the Bonds and the fees and expenses of the Bond Registrar and Paying Agent as and when the same become due, and to forward such sums to the Paying Agent in a manner which ensures that the Paying Agent will receive immediately available funds in such amounts on or before the Business Day immediately preceding the dates when such principal, interest and fees of the Bond Registrar and Paying Agent will become due. If, through the lapse of time or otherwise, the Owners of Bonds are no longer entitled to enforce payment of the Bonds or the interest thereon, the Paying Agent shall return said funds to the Issuer. All moneys deposited with the Paying Agent shall be deemed to be deposited in accordance with and subject to all of the provisions contained in this Bond Resolution and shall be held in trust by the Paying Agent for the benefit of the Owners of the Bonds entitled to payment from such moneys.

Any moneys or investments remaining in the Debt Service Account after the retirement of the Bonds shall be transferred and paid into the Bond and Interest Fund.

Section 507. Application of Moneys in the Rebate Fund.

(a) There shall be deposited in the Rebate Fund such amounts as are required to be deposited therein pursuant to the Federal Tax Certificate. All money at any time deposited in the Rebate Fund shall be held in trust, to the extent required to satisfy the Rebate Amount (as defined in the Federal Tax Certificate), for payment to the United States of America, and neither the Issuer nor the Owner of any Bonds shall have any rights in or claim to such money. All amounts deposited into or on deposit in the Rebate Fund shall be governed by this Section and the Federal Tax Certificate.

(b) The Issuer shall periodically determine the arbitrage rebate, if any, under Code § 148(f) in accordance with the Federal Tax Certificate, and the Issuer shall make payments to the United States of America at the times and in the amounts determined under the Federal Tax Certificate. Any moneys remaining in the Rebate Fund after redemption and payment of all of the Bonds and payment and satisfaction of any Rebate Amount, or provision made therefor, shall be deposited into the Bond and Interest Fund.

(c) Notwithstanding any other provision of this Bond Resolution, including in particular *Article VII* hereof, the obligation to pay arbitrage rebate to the United States of America and to comply with all other requirements of this Section and the Federal Tax Certificate shall survive the defeasance or payment in full of the Bonds.

Section 508. Deposits and Investment of Moneys. Moneys in each of the Funds and Accounts shall be deposited in accordance with laws of the State, in a bank, savings and loan association or savings bank organized under the laws of the State, any other state or the United States: (a) which has a main or branch office located in the Issuer; or (b) if no such entity has a main or branch office located in the Issuer, with such an entity that has a main or branch office located in the county or counties in which the Issuer is located. All such depositories shall be members of the Federal Deposit Insurance Corporation, or otherwise as permitted by State law. All such deposits shall be invested in Permitted Investments as set forth in this Article or shall be adequately secured as provided by the laws of the State. All moneys held in the Funds and Accounts shall be kept separate

and apart from all other funds of the Issuer so that there shall be no commingling with any other funds of the Issuer.

Moneys held in any Fund or Account other than the Redemption Fund may be invested in accordance with this Bond Resolution and the Federal Tax Certificate in Permitted Investments; provided, however, that no such investment shall be made for a period extending longer than to the date when the moneys invested may be needed for the purpose for which such fund was created. All earnings on any investments held in any Fund or Account shall accrue to and become a part of such Fund or Account; provided that, during the period of construction of the Improvements, earnings on the investment of such funds may, at the discretion of the Issuer, be credited to the Debt Service Account.

Section 509. Redemption of Refunded Bonds. The Refunded Bonds are hereby called for redemption and payment prior to maturity on the Refunded Bonds Redemption Date. The Refunded Bonds shall be redeemed in accordance with the Refunded Bonds Resolution by the payment of the principal thereof, together with the redemption premium and accrued interest thereon to the Refunded Bonds Redemption Date. The Clerk is hereby directed to cause notice of the call for redemption and payment of the Refunded Bonds to be given in the manner provided in the Refunded Bonds Resolution. The officers of the Issuer and the Refunded Bonds Paying Agent are hereby authorized and directed to take such other action as may be necessary in order to effect the redemption and payment of the Refunded Bonds as herein provided.

ARTICLE VI

DEFAULT AND REMEDIES

Section 601. Remedies. The provisions of the Bond Resolution, including the covenants and agreements herein contained, shall constitute a contract between the Issuer and the Owners of the Bonds. If an Event of Default occurs and shall be continuing, the Owner or Owners of not less than 10% in principal amount of the Bonds at the time Outstanding shall have the right for the equal benefit and protection of all Owners of Bonds similarly situated:

(a) by mandamus or other suit, action or proceedings at law or in equity to enforce the rights of such Owner or Owners against the Issuer and its officers, agents and employees, and to require and compel duties and obligations required by the provisions of the Bond Resolution or by the Constitution and laws of the State;

(b) by suit, action or other proceedings in equity or at law to require the Issuer, its officers, agents and employees to account as if they were the trustees of an express trust; and

(c) by suit, action or other proceedings in equity or at law to enjoin any acts or things which may be unlawful or in violation of the rights of the Owners of the Bonds.

Section 602. Limitation on Rights of Owners. The covenants and agreements of the Issuer contained herein and in the Bonds shall be for the equal benefit, protection, and security of the Owners of any or all of the Bonds, all of which Bonds shall be of equal rank and without preference or priority of one Bond over any other Bond in the application of the funds herein pledged to the payment of the principal of and the interest on the Bonds, or otherwise, except as to rate of interest, date of maturity and right of prior redemption as provided in this Bond Resolution. No one or more Owners secured hereby shall have any right in any manner whatever by his or their action to affect,

disturb or prejudice the security granted and provided for herein, or to enforce any right hereunder, except in the manner herein provided, and all proceedings at law or in equity shall be instituted, had and maintained for the equal benefit of all Outstanding Bonds.

Section 603. Remedies Cumulative. No remedy conferred herein upon the Owners is intended to be exclusive of any other remedy, but each such remedy shall be cumulative and in addition to every other remedy and may be exercised without exhausting and without regard to any other remedy conferred herein. No waiver of any default or breach of duty or contract by the Owner of any Bond shall extend to or affect any subsequent default or breach of duty or contract or shall impair any rights or remedies thereon. No delay or omission of any Owner to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or acquiescence therein. Every substantive right and every remedy conferred upon the Owners of the Bonds by this Bond Resolution may be enforced and exercised from time to time and as often as may be deemed expedient. If action or proceedings taken by any Owner on account of any default or to enforce any right or exercise any remedy has been discontinued or abandoned for any reason, or shall have been determined adversely to such Owner, then, and in every such case, the Issuer and the Owners of the Bonds shall be restored to their former positions and rights hereunder, respectively, and all rights, remedies, powers and duties of the Owners shall continue as if no such suit, action or other proceedings had been brought or taken.

Section 604. Control of Remedies Upon an Event of Default and Event of Insolvency.

Notwithstanding anything herein to the contrary, upon the occurrence and continuance of an Event of Default, the Bond Insurer, provided the Bond Insurance Policy is in full force and effect and the Bond Insurer shall not be in default thereunder, shall be entitled to control and direct the enforcement of all rights and remedies granted to the Owners under this Bond Resolution. Any reorganization or liquidation plan with respect to the Issuer must be acceptable to the Bond Insurer. In the event of any reorganization or liquidation, the Bond Insurer shall have the right to vote on behalf of all Owners who hold the Bonds insured by the Bond Insurer absent a default by the Bond Insurer under the applicable Bond Insurance Policy insuring such Bonds.

ARTICLE VII

DEFEASANCE

Section 701. Defeasance. When any or all of the Bonds, redemption premium, if any, or scheduled interest payments thereon have been paid and discharged, then the requirements contained in this Bond Resolution and the pledge of the Issuer's faith and credit hereunder and all other rights granted hereby shall terminate with respect to the Bonds or scheduled interest payments thereon so paid and discharged. Bonds, redemption premium, if any, or scheduled interest payments thereon shall be deemed to have been paid and discharged within the meaning of this Bond Resolution if there has been deposited with the Paying Agent, or other commercial bank or trust company located in the State and having full trust powers, at or prior to the Stated Maturity or Redemption Date of said Bonds or the interest payments thereon, in trust for and irrevocably appropriated thereto, moneys and/or Defeasance Obligations which, together with the interest to be earned on any such Defeasance Obligations, will be sufficient for the payment of the principal of or Redemption Price of said Bonds and/or interest accrued to the Stated Maturity or Redemption Date, or if default in such payment has occurred on such date, then to the date of the tender of such payments. If the amount to be so deposited is based on the Redemption Price of any Bonds, no such satisfaction shall occur until (a) the Issuer has elected to redeem such Bonds, and (b) either

notice of such redemption has been given, or the Issuer has given irrevocable instructions, or shall have provided for an escrow agent to give irrevocable instructions, to the Bond Registrar to give such notice of redemption in compliance with *Article III* hereof. Any money and Defeasance Obligations that at any time shall be deposited with the Paying Agent or other commercial bank or trust company by or on behalf of the Issuer, for the purpose of paying and discharging any of the Bonds, shall be and are hereby assigned, transferred and set over to the Paying Agent or other bank or trust company in trust for the respective Owners of the Bonds, and such moneys shall be and are hereby irrevocably appropriated to the payment and discharge thereof. All money and Defeasance Obligations deposited with the Paying Agent or such bank or trust company shall be deemed to be deposited in accordance with and subject to all of the provisions of this Bond Resolution. The Issuer shall notify the Bond Insurer of any defeasance under this Section.

Notwithstanding anything in this Bond Resolution to the contrary, in the event that the principal and/or interest due on the Bonds shall be paid by the Bond Insurer pursuant to the Bond Insurance Policy, the Bonds shall remain Outstanding for all purposes, not be defeased or otherwise satisfied and not be considered paid by the Issuer and the covenants, agreements and other obligations of the Issuer to the Owners shall continue to exist and shall run to the benefit of the Bond Insurer, and the Bond Insurer shall be subrogated to the rights of such Owners.

ARTICLE VIII

TAX COVENANTS

Section 801. General Covenants. The Issuer covenants and agrees that it will comply with: (a) all applicable provisions of the Code necessary to maintain the exclusion from gross income for federal income tax purposes of the interest on the Bonds; and (b) all provisions and requirements of the Federal Tax Certificate. The Mayor, Finance Director and Clerk are hereby authorized and directed to execute the Federal Tax Certificate in a form approved by Bond Counsel, for and on behalf of and as the act and deed of the Issuer. The Issuer will, in addition, adopt such other ordinances or resolutions and take such other actions as may be necessary to comply with the Code and with all other applicable future laws, regulations, published rulings and judicial decisions, in order to ensure that the interest on the Bonds will remain excluded from federal gross income, to the extent any such actions can be taken by the Issuer.

Section 802. Survival of Covenants. The covenants contained in this Article and in the Federal Tax Certificate shall remain in full force and effect notwithstanding the defeasance of the Bonds pursuant to *Article VII* hereof or any other provision of this Bond Resolution until such time as is set forth in the Federal Tax Certificate.

ARTICLE IX

PROVISIONS RELATING TO THE BOND INSURANCE POLICY

Section 901. Payment Procedure Pursuant to Bond Insurance Policy. As long as the Bond Insurance Policy shall be in full force and effect, the Issuer and the Paying Agent agree to comply with the following provisions:

(a) In the event that principal and/or interest due on the Bonds shall be paid by the Bond Insurer pursuant to the Policy, the Bonds shall remain outstanding for all purposes, not be defeased or otherwise satisfied and not be considered paid by the Issuer, the assignment and pledge of the trust estate and all covenants, agreements and other obligations of the Issuer to the registered owners shall continue to exist and shall run to the benefit of the Bond Insurer, and the Bond Insurer shall be subrogated to the rights of such registered owners including, without limitation, any rights that such owners may have in respect of securities law violations arising from the offer and sale of the Bonds.

(b) In the event that on the second (2nd) business day prior to the payment date on the Bonds, the Paying Agent has not received sufficient moneys to pay all principal of and interest on the Bonds due on the second (2nd) following business day, the Paying Agent shall immediately notify the Bond Insurer or its designee on the same business day by telephone or electronic mail, of the amount of the deficiency.

(c) If any deficiency is made up in whole or in part prior to or on the payment date, the Paying Agent or trustee shall so notify the Bond Insurer or its designee.

(d) In addition, if the Paying Agent has notice that any Bondholder has been required to disgorge payments of principal of or interest on the Bonds pursuant to a final, non-appealable order by a court of competent jurisdiction that such payment constitutes an avoidable preference to such Bondholder within the meaning of any applicable bankruptcy law, then the Paying Agent shall notify the Bond Insurer or its designee of such fact by telephone or electronic mail, or by overnight or other delivery service as to which a delivery receipt is signed by a person authorized to accept delivery on behalf of the Bond Insurer.

(e) The Paying Agent shall irrevocably be designated, appointed, directed and authorized to act as attorney-in-fact for holders of the Bonds as follows:

(1) If there is a deficiency in amounts required to pay interest and/or principal on the Bonds, the Paying Agent or trustee shall (i) execute and deliver to the Bond Insurer, in form satisfactory to the Bond Insurer, an instrument appointing the Bond Insurer as agent for such holders of the Bonds in any legal proceeding related to the payment of and an assignment to the Bond Insurer of the claims for interest on the Bonds, (ii) receive as designee of the respective holders (and not as Paying Agent) in accordance with the tenor of the Bond Insurance Policy payment from the Bond Insurer with respect to the claims for interest so assigned, and (iii) disburse the same to such respective holders; and

(2) If there is a deficiency in amounts required to pay principal of the Bonds, the Paying Agent shall (i) execute and deliver to the Bond Insurer, in form satisfactory to the Bond Insurer, an instrument appointing the Bond Insurer as agent for such holder of the Bonds in any legal proceeding related to the payment of such principal and an assignment to the Bond Insurer of the Bond surrendered to the Bond Insurer (but such assignment shall be delivered only if payment from the Bond Insurer is received), (ii) receive as designee of the respective holders (and not as Paying Agent) in accordance with the tenor of the Policy payment therefore from the Bond Insurer, and (iii) disburse the same to such holders.

(f) Payments with respect to claims for interest on and principal of Bonds disbursed by the Paying Agent from proceeds of the Bond Insurance Policy shall not be considered to discharge the obligation of the Issuer with respect to such Bonds, and the Bond Insurer shall become the owner of such unpaid Bond and claims for the interest in accordance with the tenor of the assignment made to it under the provisions of the preceding paragraph (e) or otherwise.

(g) Irrespective of whether any assignment is executed and delivered, the Issuer and the Paying Agent shall agree for the benefit of the Bond Insurer that:

(1) They recognize that to the extent the Bond Insurer makes payments directly or indirectly (*e.g.*, by paying through the Paying Agent), on account of principal of or interest on the Bonds, the Bond Insurer will be subrogated to the rights of such holders to receive the amount of such principal and interest from the Issuer, with interest thereon, as provided and solely from the sources stated in the transaction documents and the Bonds; and

(2) They will accordingly pay to the Bond Insurer the amount of such principal and interest, with interest thereon as provided in the transaction documents and the Bonds, but only from the sources and in the manner provided therein for the payment of principal of and interest on the Bonds to holders, and will otherwise treat the Bond Insurer as the owner of such rights to the amount of such principal and interest.

(h) If an Insurer Default shall occur and be continuing, then, notwithstanding anything in paragraph (g) above or in **Section 604** hereof to the contrary, (1) if at any time prior to or following an Insurer Default, the Bond Insurer has made payment under the Bond Insurance Policy, to the extent of such payment the Bond Insurer shall be treated like any other holder of the Bonds for all purposes, including giving of consents, and (2) if the Bond Insurer has not made any payment under the Bond Insurance Policy, the Bond Insurer shall have no further consent rights until the particular Insurer Default is no longer continuing or the Bond Insurer makes a payment under the Policy, in which event, the foregoing clause (1) shall control. For purposes of this paragraph (h), "Insurer Default" means: (A) the Bond Insurer has failed to make any payment under the Bond Insurance Policy when due and owing in accordance with its terms; or (B) the Bond Insurer shall (i) voluntarily commence any proceeding or file any petition seeking relief under the United States Bankruptcy Code or any other Federal, state or foreign bankruptcy, insolvency or similar law, (ii) consent to the institution of or fail to controvert in a timely and appropriate manner, any such proceeding or the filing of any such petition, (iii) apply for or consent to the appointment of a receiver, trustee, custodian, sequestrator or similar official for such party or for a substantial part of its property, (iv) file an answer admitting the material allegations of a petition filed against it in any such proceeding, (v) make a general assignment for the benefit of creditors or (vi) take action for the purpose of effecting any of the foregoing; or (C) any state or federal agency or instrumentality shall order the suspension of payments on the Bond Insurance Policy or shall obtain an order or grant approval for the rehabilitation, liquidation, conservation or dissolution of the Bond Insurer (including without limitation under the New York Insurance Law).

Section 902. Notices to the Bond Insurer.

(a) While the Bond Insurance Policy is in effect, the Issuer shall, in addition to the other notice requirements contained in this Bond Resolution, furnish to the Bond Insurer:

(1) As soon as practicable after the filing thereof, a copy of any financial statement, audit and/or annual report of the Issuer;

(2) A copy of any notice to be given to the Owners, including, without limitation, notice of any redemption of or defeasance of Bonds, and any certificate rendered pursuant to this Bond Resolution relating to the security for the Bonds;

(3) Copies of any filings or notices required to be given by the Issuer pursuant to the Disclosure Undertaking;

(4) Notice of an Event of Default within five business days after the occurrence of such event; and

(5) Such additional information as the Bond Insurer may reasonably request.

(b) The Issuer shall notify the Bond Insurer of any failure of the Issuer to provide relevant notices, certificates, etc.

(c) Notwithstanding any other provision of this Bond Resolution, the Issuer shall immediately notify the Bond Insurer if at any time there are insufficient moneys to make any payments of principal and/or interest as required and immediately upon the occurrence of any Event of Default hereunder. In each case where a notice refers to an Event of Default or a claim on the Bond Insurance Policy, then a copy of such notice or other communication shall also be sent to the attention of the General Counsel at the Notice Address for the Bond Insurer and at claims@buildamerica.com or at Fax: (212) 235-5214 and shall be marked "URGENT MATERIAL ENCLOSED."

Section 903. Payment Procedure Pursuant to Bond Insurance Policy. Rights of the Bond Insurer to direct or consent to actions granted under this Bond Resolution shall be suspended during any period in which the Bond Insurer is in default in its payment obligations under the Bond Insurance Policy (except to the extent of amounts previously paid by the Bond Insurer and due and owing to the Bond Insurer) and shall be of no force or effect in the event the Bond Insurance Policy is no longer in effect or the Bond Insurer asserts that the Bond Insurance Policy is not in effect or the Bond Insurer shall have provided written notice that it waives such rights.

ARTICLE X CONTINUING DISCLOSURE REQUIREMENTS

Section 1001. Disclosure Requirements. The Issuer hereby covenants with the Purchaser and the Beneficial Owners to provide and disseminate such information as is required by the SEC Rule and as further set forth in the Disclosure Undertaking, the provisions of which are incorporated herein by reference. Such covenant shall be for the benefit of and enforceable by the Purchaser and the Beneficial Owners.

Section 1002. Failure to Comply with Continuing Disclosure Requirements. In the event the Issuer fails to comply in a timely manner with its covenants contained in the preceding section, the Purchaser and/or any Beneficial Owner may make demand for such compliance by written notice to the Issuer. In the event the Issuer does not remedy such noncompliance within 10 days of receipt of such written notice, the Purchaser or any Beneficial Owner may in its discretion, without notice or demand, proceed to enforce compliance by a suit or suits in equity for the specific performance of such covenant or agreement contained in the preceding section or for the enforcement of any other appropriate legal or equitable remedy, as the Purchaser and/or any Beneficial Owner shall deem effectual to protect and enforce any of the duties of the Issuer under such preceding section. The Purchaser or Beneficial Owner shall provide a copy of any such demand or notice to the Bond Insurer. Notwithstanding any other provision of this Bond Resolution, failure of the Issuer to comply with its covenants contained in the preceding section shall not be considered an Event of Default under this Bond Resolution.

ARTICLE XI

MISCELLANEOUS PROVISIONS

Section 1101. Annual Audit. Annually, promptly after the end of the Fiscal Year, the Issuer will cause an audit to be made of the financial statements of the Issuer for the preceding Fiscal Year by an Independent Accountant. Within 30 days after the completion of each such audit, a copy thereof shall be filed in the office of the Clerk, and a duplicate copy of the audit shall be mailed to the Bond Insurer. Such audit shall at all times during the usual business hours be open to the examination and inspection by any taxpayer, any Owner of any of the Bonds, or by anyone acting for or on behalf of such taxpayer or Owner. Upon payment of the reasonable cost of preparing and mailing the same, a copy of any annual audit will, upon request, be sent to any Owner or prospective Owner. As soon as possible after the completion of the annual audit, the Governing Body shall review such audit, and if the audit discloses that proper provision has not been made for all of the requirements of this Bond Resolution, the Issuer shall promptly cure such deficiency.

Section 1102. Amendments. The rights and duties of the Issuer and the Owners, and the terms and provisions of the Bonds or of this Bond Resolution, may be amended or modified at any time in any respect by resolution of the Issuer with the written consent of the Bond Insurer and the Owners of not less than a majority in principal amount of the Bonds then Outstanding, such consent to be evidenced by an instrument or instruments executed by the Bond Insurer and such Owners and duly acknowledged or proved in the manner of a deed to be recorded, and such instrument or instruments shall be filed with the Clerk, but no such modification or alteration shall:

- (a) extend the maturity of any payment of principal or interest due upon any Bond;
- (b) effect a reduction in the amount which the Issuer is required to pay as principal of or interest on any Bond;
- (c) permit preference or priority of any Bond over any other Bond; or
- (d) reduce the percentage in principal amount of Bonds required for the written consent to any modification or alteration of the provisions of this Bond Resolution.

Any provision of the Bonds or of this Bond Resolution may, however, be amended or modified by resolution duly adopted by the Governing Body at any time in any legal respect with the written consent of the Bond Insurer and the Owners of all of the Bonds at the time Outstanding.

Without notice to or the consent of any Owners, the Issuer may amend or supplement this Bond Resolution for the purpose of curing any formal defect, omission, inconsistency or ambiguity herein, to grant to or confer upon the Owners any additional rights, remedies, powers or authority that may lawfully be granted to or conferred upon the Owners, to more precisely identify the Improvements, to reallocate proceeds of the Bonds among Improvements, to provide for Substitute Improvements, to conform this Bond Resolution to the Code or future applicable federal law concerning tax-exempt obligations, or in connection with any other change therein which is not materially adverse to the interests of the Owners. Copies of any amendments which are consented to by the Bond Insurer shall be provided to Standard & Poor's.

Notwithstanding the foregoing, the Issuer shall not amend or modify the terms of the Bonds or this Bond Resolution in any way that adversely affects the rights or interests of the Bond Insurer without the prior written consent of the Bond Insurer.

Every amendment or modification of the provisions of the Bonds or of this Bond Resolution, to which the written consent of the Bond Insurer and the Owners is given, as above provided, shall be expressed in a resolution adopted by the Governing Body amending or supplementing the provisions of this Bond Resolution and shall be deemed to be a part of this Bond Resolution. A certified copy of every such amendatory or supplemental resolution, if any, and a certified copy of this Bond Resolution shall always be kept on file in the office of the Clerk, shall be delivered to the Bond Insurer and shall be made available for inspection by the Owner of any Bond or a prospective purchaser or owner of any Bond authorized by this Bond Resolution, and upon payment of the reasonable cost of preparing the same, a certified copy of any such amendatory or supplemental resolution or of this Bond Resolution will be sent by the Clerk to any such Owner or prospective Owner.

Any and all modifications made in the manner hereinabove provided shall not become effective until there has been filed with the Clerk a copy of the resolution of the Issuer hereinabove provided for, duly certified, as well as proof of any required consent to such modification by the Bond Insurer and the Owners of the Bonds then Outstanding. It shall not be necessary to note on any of the Outstanding Bonds any reference to such amendment or modification.

The Issuer shall furnish to the Paying Agent a copy of any amendment to the Bonds or this Bond Resolution which affects the duties or obligations of the Paying Agent under this Bond Resolution.

Section 1103. Notices, Consents and Other Instruments by Owners. Any notice, consent, request, direction, approval or other instrument to be signed and executed by the Owners may be in any number of concurrent writings of similar tenor and may be signed or executed by such Owners in person or by agent appointed in writing. Proof of the execution of any such instrument or of the writing appointing any such agent and of the ownership of Bonds, if made in the following manner, shall be sufficient for any of the purposes of this Bond Resolution, and shall be conclusive in favor of the Issuer and the Paying Agent with regard to any action taken, suffered or omitted under any such instrument, namely:

(a) The fact and date of the execution by any person of any such instrument may be proved by a certificate of any officer in any jurisdiction who by law has power to take acknowledgments within such jurisdiction that the person signing such instrument acknowledged before such officer the execution thereof, or by affidavit of any witness to such execution.

(b) The fact of ownership of Bonds, the amount or amounts, numbers and other identification of Bonds, and the date of holding the same shall be proved by the Bond Register.

In determining whether the Owners of the requisite principal amount of Bonds Outstanding have given any request, demand, authorization, direction, notice, consent or waiver under this Bond Resolution, Bonds owned by the Issuer shall be disregarded and deemed not to be Outstanding under this Bond Resolution, except that, in determining whether the Owners shall be protected in relying upon any such request, demand, authorization, direction, notice, consent or waiver, only Bonds which the Owners know to be so owned shall be so disregarded. Notwithstanding the foregoing, Bonds so owned which have been pledged in good faith shall not be disregarded as aforesaid if the pledgee establishes to the satisfaction of the Owners the pledgee's right so to act with respect to such Bonds and that the pledgee is not the Issuer.

Section 1104. Notices. Any notice, request, complaint, demand or other communication required or desired to be given or filed under this Bond Resolution shall be in writing, given to the Notice Representative at the Notice Address and shall be deemed duly given or filed if the same shall be: (a) duly mailed by registered or certified mail, postage prepaid; or (b) communicated via fax, with

electronic or telephonic confirmation of receipt. Copies of such notices shall also be given to the Paying Agent and the Bond Insurer. The Issuer, the Paying Agent, the Bond Insurer and the Purchaser may from time to time designate, by notice given hereunder to the others of such parties, such other address to which subsequent notices, certificates or other communications shall be sent.

All notices given by: (a) certified or registered mail as aforesaid shall be deemed duly given as of the date they are so mailed; (b) fax as aforesaid shall be deemed duly given as of the date of confirmation of receipt. If, because of the temporary or permanent suspension of regular mail service or for any other reason, it is impossible or impractical to mail any notice in the manner herein provided, then such other form of notice as shall be made with the approval of the Paying Agent shall constitute a sufficient notice.

Section 1105. Electronic Transactions. The issuance of the Bonds and the transactions related thereto and described herein may be conducted and documents may be stored by electronic means.

Section 1106. Further Authority. The officers and officials of the Issuer, including the Mayor and Clerk, are hereby authorized and directed to execute all documents and take such actions as they may deem necessary or advisable in order to carry out and perform the purposes of this Bond Resolution and to make ministerial alterations, changes or additions in the foregoing agreements, statements, instruments and other documents herein approved, authorized and confirmed which they may approve, and the execution or taking of such action shall be conclusive evidence of such necessity or advisability.

Section 1107. Severability. If any section or other part of this Bond Resolution, whether large or small, is for any reason held invalid, the invalidity thereof shall not affect the validity of the other provisions of this Bond Resolution.

Section 1108. Governing Law. This Bond Resolution shall be governed exclusively by and construed in accordance with the applicable laws of the State.

Section 1109. Effective Date. This Bond Resolution shall take effect and be in full force from and after its adoption by the Governing Body.
